## **YOUTH PROTECTION TRAINING**

The BSA places the greatest importance on creating the most secure environment possible for our youth members. All Cub Scout and Boy Scout adult volunteers must take this course. It covers the BSA's Youth Protection policies, kinds of abuse, signs of abuse, how to respond to disclosure of abuse, and proper reporting procedures. It does so by taking you through situations that require choices and produce consequences.

To take this training you can go to the BSA online learning center at
