

Troop “Create Your Own” Menu

Attached are several meal options for your troop breakfasts, lunches, and dinners.

Troops will pick from nine (9) breakfasts, eighteen (18) lunches/dinners and four (4) premium dinners. Fill in the meal number for the day you choose on the Troop Meal Chart. The entire troop **must** pick the same menu. Food orders will be filled based on the size of the entire troop. If troops cook by patrols, it will be the responsibility of the troop to divide up the food accordingly (patrol's are based on a 6 person patrol, but can be changed). You may choose the same meal more than once if you want. Guest meals are in addition to scouts and leaders on roster. We require a very close count on the total campers attending camp (scouts & adults) in order to ensure correct amounts of food.

All meals on the “Create Your Own” will be on a preorder basis only or you will use the traditional menu. You should also keep a copy of your menu for your reference because one will not be provided during the check-in process.

If you have other specialty items you want i.e.: ice cream, whole turkeys, soy products, fresh fruit and vegetables. Let us know so we can order ahead and have them for you when you are at camp.

If you have any scouts or adults with special food restrictions (i.e.: no soy, no gluten, no sugar), please let us know by the May Leader's Meeting. If you have a list of preferred substitutions or brands for the specialty diet please provide those. Some substitutions may increase your troops food cost and you may be charged accordingly.
